FARMERS MAKE PROTEST A A A COURT RULING

Letters Sent to Congress From County Urging a Permanent Program to Aid Farmers

PRESIDENT TO AID

Congress Starts Work on Plan to Help—Business Men Asked to Write Congress

Farmers of Randall county filed a protest Thursday against the decision of the supreme court which nullified AAA. Letters were sent to Secretary Wallace, Senators Tom Connally and Morris Sheppard, and Congressman Marvin Jones asking that Congress take action to see to it that farmers were paid under the terms of contracts which were entered into in the production of crops.

Sentiment of the meeting expressed the opinion that the Texas delegation would do everything possible to protect the farmers. However, the farmers wish for an opportunity to express their opinions and through their letters the congressional leaders would receive the benefit of the ideas expressed by the farmers of the county.

Several hundred letters from Randall county farmers will go to Washington this week. Added to these will be letters from practically all business firms in Canyon. These letters will be used in congress to show how strong the people in this county are in favor of the continuation of some plan similar to AAA.

No definite plan has been adopted by congress to care for the farm program but is receiving the attention of the President and leaders of both houses. It is believed that bills will be passed within the near future to care for the situation. It is estimated that $300,000,000 is needed to clear the contracts due farmers under AAA.

Funeral For William M. Rogers Will Be Held Friday P. M.

William Mack Rogers died of heart failure last night at 8 o'clock at his home here. Death came to him on his 69th birthday.

The funeral services will be held Friday afternoon at 2 o'clock at the Church of God, conducted by Rev. Arthur Simmons of Pampa. Interment will be held at Wayside.

Surviving are the widow and twelve children, five sons; Rueben, Bob, Jim, and Carl Rogers of Canyon; Joe Rogers of Wayside; seven daughters, Misses Fern and Fawn Rogers, Mrs. Eula Franklin, Mrs. Bessie Davis, all of Canyon, Mrs. Effie Wilson and Mrs. Beulah McCoy of Happy, Mrs. Ethel Schillings of Optima, Okla.

Edna Graham Is Speaker At The Amarillo School

Miss Edna Graham was the speaker Tuesday morning at the Amarillo Senior High School Assembly program. She spoke to approximately one thousand students and faculty members on the very interesting customs of the Oriental countries. The subjects discussed were Marriages, Funerals, and Religious customs.

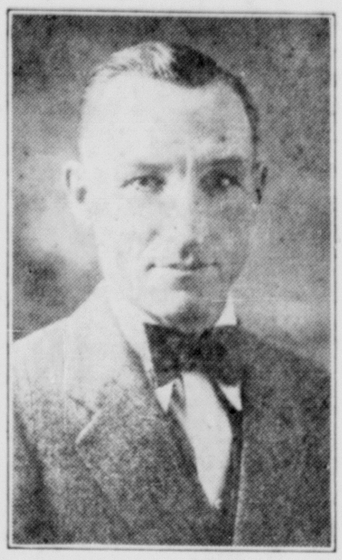
G. B. Heath Is a Candidate Re-election Commissioner



G. B. HEATH

G. B. Heath has authorized The News to make the announcement that he is a candidate for re-election to the office of County Commissioner of Precinct No. One. The statement follows:

In making this announcement I am answering the question that so many of my friends have asked me in the past few days; namely, if I am going to be a candidate for re-election. I want to express my appreciation to them for their interest in me.

I will base this campaign on the record that I have made since I have been in office. Most of the voters in this Precinct know what I have done and know about my work; therefore I will not go into detail telling this; however, there have been many permanent improvements made in this Precinct since I have been in office.

Everyone knows that times have been hard for the past three or

Three Are Given Penitentiary Sentences in Court

Docket Is Being Cleared Pending Cases as Settlement Made — Grand Jury Yesterday

Dismissal of more cases occupied considerable attention of Judge E. C. Nelson in district court this week. Judge Nelson is investigating every case on the docket with a view of making some disposition of them.

Three men were given penitentiary sentences and one was given a suspended sentence in cases called this week. All plead guilty.

Tom Amos drew a two year sentence on the charge of forgery.

Elmer Culpepper and Joe Funderberg, Jr., received six months sentences on the charge of chicken theft. Both were under 18 month suspended sentences from Armstrong county, which will make them serve two years in the penitentiary.

Wesley Corbell, also charged with chicken theft, was given a suspended sentence of one year.

Randall Ex-Service Men Slated to Receive $104,495.24

If the bonus bill is passed, Randall county ex-service men will receive $104,495.24, according to a statement sent out from Washington.

These figures come from the veterans' bureau and take into account all of the credits which have been made on the certificates which are to become due in 1945, and on which full payments are sought at the present time.

The bonus payment bill passed the house of representatives by a very large majority. The bill is slated to reach the floor of the senate today or tomorrow. No method of payment was set up in the house bill. Payment by issuing baby bonds will likely be sought in the senate.

President Roosevelt has been conferring with congressional leaders and administration spokesmen believe that the President wishes congress to pass a bill which he will be able to sign. Every president since Wilson has vetoed a bonus bill.

Irby B. Carruth Is Re-Elected 2 Years

Serving Sixth Year as Head of Schools—Nine Years Connected With Local System

IRBY B. CARRUTH

Irby B. Carruth was re-elected superintendent of the Canyon public schools Tuesday night by the board of trustees for a term of two years.

Mr. Carruth has been superintendent for the past six years. His first position in the schools was nine years ago when he was elected principal of the grade school. The following year he was named high school teacher, and then served one year as high school principal. Upon the resignation of Jim Webb as superintendent, he was named to succeed Webb and has continued in this capacity.

The re-election of Mr. Carruth for the coming two years is a great compliment to his efficient services in the schools, and the constructive work that he has been able to accomplish in improving the system.

CANYON CLUB RE-ELECTED BOARD OF DIRECTORS

Members of the Canyon City Club held the annual meeting Monday night. Directors were re-elected as follows:

Ross Craig, E. Burroughs, Ed Mickle, Carl Scott, W. E. Lockhart, J. L. Duflot, and O. W. Gano.

According to the report of the directors there are now 50 members of the club.

The directors did not meet to organize following this election.

Mrs. Rufus Dodgen spent the week-end at the parental Harvey Cash home. Mrs. Cash returned to Shamrock with Mrs. Dodgen for several days visit.

Two Families In Randall Enter In Rural Contest

Rockwell and Byars To Compete for Improvement Prizes Given By Dallas News

Two families of Randall county have entered the Centennial Farm and Home Demonstration Contest conducted by the Texas Extension Service and which is being sponsored by the Dallas News and Semi-Weekly Farm News. The families are Mr. and Mrs. Albert Byars and Mr. and Mrs. M. H. Rockwell, living north of Canyon on U. S. Highway 365 and State Highway 9 and 33.

The aim of the Centennial contest is to recognize improvement in agriculture and the improvement and beautification of rural homes. Cash prizes ranging from $75.00 to $25.00 for each of the nine districts and the state prizes from $250.00 for first prize to $25.00 for ninth place, are being offered.

The county judging must be completed by June 1, and immediately thereafter the district judging will begin. A district agricultural agent and a district home demonstration agent will visit the first winning contestant in each county, thus selecting the district winner. The state judging will follow the district judging and must be completed not later than July 20, 1936.

The points considered in the judging cover the buildings and equipment; the grounds; the soil; the crops; the livestock; and the food supply and other resources, totaling 10,000 points.

Plans will be made for improvement and work will be done on all phases of the contest under the direction of the farm demonstration agent, W. H. Upchurch, and the home demonstration agent, Miss Allie Dozier.

MEN'S CLUB WILL BE HOSTS TO THE WOMEN

The men's club of the Methodist church will entertain the women of the church tonight at 7:00 o'clock. The dinner will be served by the men of the club, following which a program will be given by the club.

Buffs Won Two and Lost Three Games on Trip

Will Play St. Mary's Rattlers Here Friday and Saturday in Hot Contests

The Buffalo basketball team arrived home Tuesday with three losses and two wins as the result of the first hard road trip to east and south Texas.

St. Mary's University will be here Friday and Saturday nights to meet the Buffs in what is promised to be two of the most exciting games of the season. The St. Mary's Rattlers are coached by Frank Bridges, well known athletic director.

The Buffs were downed in two close games at Commerce by the Teachers College Wednesday and Thursday nights of last week, 33-31, and 44-38.

Moving on to Nacogdoches Friday night, the Buffs again received the small end of the score, 30-24.

Then came Huntsville, a team which had not been defeated this season. The Buffs tangled with this team Saturday night, winning by a score of 27-21.

From Huntsville the Buffs started north toward home with an engagement in Abilene Monday night with McMurry College. This game was handily tucked away by the Buffs, 47-25. At the half the Buffs were leading 20-8, and at no time did the Indians seriously threaten the Buffs.

Body of Happy Woman Shipped to Mineral Wells

The body of Mrs. Sallie Smith Collier was shipped from Canyon Saturday to Mineral Wells for burial. Mrs. Collier died at an Amarillo hospital Saturday morning and the body was brought to the Griggs - Thompson Funeral Home to prepare for burial.

Mrs. Collier was the mother of A. L. Collier, cashier of the First State Bank of Happy. A daughter, Mrs. T. L. Fore, also lives at Happy, and another daughter, Mrs. W. E. Brady, at Munday.

Mrs. Elzie Price Is Candidate For County Treasurer

MRS. ELZIE PRICE

Mrs. Elzie Price has authorized The News to announce her candidacy to the office of County Treasurer. In making the announcement, Mrs. Price is seeking re-election for a second term.

"I have tried to do my very best during my first year in office," states Mrs. Price. "There is yet one year to serve before the end of my first term. I know that the experience which I have gained will make me of greater service to the taxpayers during my second term if you choose to re-elect me to the office," states Mrs. Price.

"I am asking for re-election upon my record in office, and upon my qualifications to serve the public," continues Mrs. Price. "I wish to express to the voters my very great appreciation for the privilege of serving during the past year in this office, and if re-elected, I promise to continue to serve you as diligently as I have in the past," concluded Mrs. Price.

David E. Colp Head of Parks System is Dead

Pioneer Highway and Park Builder Passes—Was Great Friend to Palo Duro State Park

David E. Colp died at Temple Sunday morning following an illness of several days with double pneumonia. The funeral services were held at San Antonio Monday afternoon. Louis J. Bryan, superintendent of the Palo Duro State Park, was one of the pall bearers.

Mr. Colp started his public life in Texas with the creation of the highway system. He organized the first commission and set up the plan which is still in use in Texas. For years he was chairman of the highway No. 9 association and did much to secure its paving. While working on highways, he continually thought about a park system and talked to people over the state regarding such a system.

Twelve years ago Governor Pat Neff appointed him chairman of

Regional Director of National Parks Visits Palo Duro

Herbert Maier of Oklahoma City visited the Palo Duro State Park Monday. He is regional director of the National Park Service and passes upon all work of the local staff.

Mr. Maier expressed his appreciation of the progress which had been made since his visit here last fall. He has set out an extensive program of development which will take several years to accomplish if the CCC organizations continue in existence.

Company 2876 disbanded Sunday, which cuts the force of workmen. Enough men were transferred to Company 2875 to bring the strength up to 245 men, the largest company which has operated at the Palo Duro.

Work started Tuesday on the test cabin west of the lodge. If the cost of this cabin comes within the estimates, it is planned to build twenty cabins along the rim near the lodge.

Assistant Director Alcott will be here next week when Supt. Louis J. Bryan returns and will bring back further plans for the Palo Duro, stated Mr. Maier while here.

R. H. WRIGHT IS NAMED HEAD OF NATIONAL BANK

Senator J. W. Reid Retires as Officer Local Banking House in Election Tuesday

PIONEER BANKER

Wright Came to Canyon in 1906, and Has Been Connected With Four Local Banks

R. H. Wright was elected president of the First National Bank in Canyon Tuesday, succeeding Senator J. W. Reid, who requested to be relieved of his duties since he is establishing a new home in Dallas.

Mr. Wright is the pioneer banker of Canyon. He has been connected with four banking institutions in the city, and this is the second time he has been elected to the presidency of a bank.

Mr. Wright came to Canyon in 1906 and was vice president of the Canyon National Bank until that institution was consolidated with the First National Bank. He then went to Tulia for a couple of years, but returned to Canyon when the Citizens Bank was organized. This institution was later consolidated with the First State Bank of which institution Mr. Wright was vice-president until the time of the death of Dr. J. M. Black, when Mr. Wright became president. He held the presidency until December, 1934, when the First State Bank was consolidated with the First National, making one banking institution in Canyon.

At the meeting of the stockholders Tuesday, Newton Harrell was elected to the board of directors to succeed Mr. Reid. Other directors were re-elected as follows: R. H. Wright, Grady Oldham, W. C. Black, Oscar Hunt, L. W. Cole and Clyde W. Warwick.

In organizing the directors for the coming year, Clyde W. Warwick was named president of the board. The following officers were elected:

R. H. Wright, president.

Grady Oldham and Oscar Hunt, vice presidents.

W. C. Black, cashier.

L. W. Cole, assistant cashier.

Wm. Ash Announces His Candidacy For Commissioner No. 2

Wm. Ash has authorized The News to announce his candidacy for County Commissioner, Precinct No. 2. Mr. Ash made the following statement Tuesday:

"I have been a resident of Randall county for 20 years. During all this time I have been a tax payer. Every one in this precinct knows me, and knows how well I am qualified to fill the office. If elected to the office I will make the people a good hand in looking after the business of the precinct and the county as a whole. I shall greatly appreciate the consideration of the voters of this precinct in the primary. I shall endeavor to see each one and discuss with you this campaign before election time, but should I miss any voter I assure you it will be an oversight. I trust that each one will carefully consider my candidacy in making your selection of the man whom you wish to serve as County Commissioner during the coming term."

Officers Will Be Continued on Fee Basis in County

Randall county officers will continue to serve on a fee basis, according to an order of the commissioners court Monday.

The recent law compelled counties of 20,000 population to change to a salary basis, but left with the commissioners court of smaller counties the decision of changing from fees to salary.

All salaries are limited by law so that no benefit was to be derived by making a change in the manner of payment.

Mrs. W. C. Kunze returned to Canyon Friday after spending Christmas with relatives at Ralls.

Kermit Schramm of Amarillo and Elwin Price of Fort Sill, Okla., were visitors in Canyon Sunday.

PANHANDLE MEMBER PRESS ASSOCIATION

DAVID E. COLP

The founder of the Texas State Parks system is dead. Few men leave such a far flung monument honoring a life's work as does David E. Colp, chairman of the Texas State Parks Board from the time it was organized in 1924 until October.

Mr. Colp has been talking state parks for 20 years. It was about that time that he came to the Panhandle preaching the creation of the Palo Duro State Park. He had to "sell" the idea to local citizens, many of whom could not see the possibilities.

After years of talking parks to the people of Texas, the parks system consisted of a letter head when Mr. Colp started his official work in 1924. From a start of 7 acres in Coryell county, the system has grown to 321,000 acres in 58 places over the state.

When CCC came into existence, Mr. Colp was ready to take all the companies that could be allotted to Texas. 16 parks have been completed and work is underway on 18 others.

From a local standpoint the people of the Panhandle feel very grateful to Mr. Colp. He saw the possibilities of a state park in the Palo Duro. In spite of obstacles, he maintained the largest CCC camp in the United States at the Palo Duro, and even when work was curtailed last year he showed his great loyalty to the Palo Duro by holding two companies here, the only place in the State with two companies.

The people of Texas have cause to be thankful that a man of Mr. Colp's vision lived in this state. His life was spent that future generations might have a better opportunity to see and study nature, and to have a place to play.

A bill will be introduced in congress to curb the authority of the supreme court in passing upon the constitutionality of acts of congress. Some interesting debates will be heard. For some time there have been mutterings in Washington on the question, and discussion by public men. The fact that this nation alone has a supreme court with authority to void the acts of the legislature and executive branches gives excellent grounds for debate. Regardless of the position one may take on this question, there has arisen one evil which most people agree should be stopped, that is, government by injunction. The News believes that no federal court should have the power to pass upon the constitutional rights of congress excepting the supreme court. Furthermore, we believe that no state court excepting the state supreme court should pass upon the constitutional acts of the legislature. We are witnessing scores of injunctions granted in different federal courts, especially those dealing with tax measures of congress. Hardly an act of the legislature of any consequence becomes effective without an injunction suit in some of the many district courts of Texas. Government by injunction aims mainly to thwart the will of the state or federal government in putting into effect needed tax measures.

"We will not retreat," was the campaign cry of President Roosevelt at the Jackson Day dinner. The President had reference to the ground which had been gained since he took office in March, 1933, at a time when the nation was almost at a point of collapse. Those who are condemning the President today were the loudest in their appeal for the President to save the nation at that time. The opponents to the administration offer no solution, excepting a program of criticism. While many of the drastic acts of the present administration have been declared unconstitutional, the laws were passed under the stress of necessity, and a public demand that action be taken. To have refused to step out along new and untrodden paths would have meant disaster in this nation. The President is a fighter today the same as he was when he took the oath of office. He is in charge of his own campaign for re-election and will call upon his opponents to discuss measures instead of theories.

War is usually man made. Not often will any particular man admit that he started a war, or greatly profited by the war. J. P. Morgan seemed to have profited very handsomely as a result of America's entrance in the world war, according to his testimony before the senatorial investigation. To take the profit out of war will cause men to cease urging nations to entering war. In the next war money and materials should be conscripted just the same as men were conscripted in the last war, and will be conscripted in the next war.

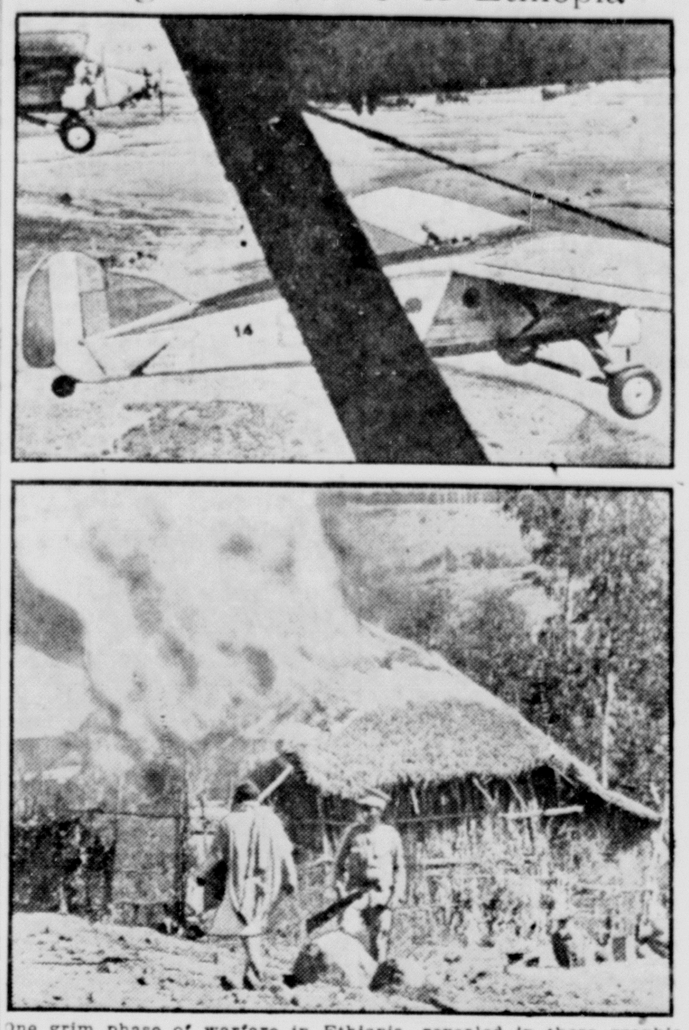
Townsend representatives were in Canyon Saturday stating that an organization would be formed here in a short while. The News sees no objection to forming the club, provided people do not become too enthusiastic over the impossible proposal of a $200 per month pension. The national poll on the Townsend plan shows a very large percent of the people opposed to the plan. There is little excuse for people being duped into believing that the government can do the impossible in paying pensions which cannot possibly be raised by taxation. In running this government, the people pay the bill regardless of any theory that may be devised to make taxation automatic.

The bonus plan will probably be settled during this month. It seems that congress is very much in a hurry to get the problem settled and out of the way before election time. Just what method will be adopted has not been determined. One thing seems certain: Congress will listen to the President and try to pass a bill that will not be vetoed. The President is determined that the bonus will not be paid by inflation, as many in congress would like to do.

Pay your poll tax this month if you wish to have a voice in your local, state and national government for the coming two years.

Confidence is seldom lost, but it is often sadly misplaced.

Wings of Death Over Ethiopia



One grim phase of warfare in Ethiopia, revealed in these graphic scenes, has proved costly to Emperor Haile Selassie's black legions. In the scene above, taken from a plane, units of Italy's Disperata Squadron are shown flying in unswerving formation toward a strategic Ethiopian point on which to rain deadly bombs. Below, flaming village huts testify to the accurate aim of the Italian airmen.

Fairview Breezes

Most of the snow which fell last week has gone. The past few days with the exception of Sunday have been very pretty.

There was a goodly crowd out for Sunday School and Church Sunday, also B. T. S. Sunday night. Rev. Charlie Odom filled his regular appointment.

January 26 there will be Sunday School and church in the morning. Dinner on the ground, and singing in the afternoon at the church. The girls quartet of Wayland College are to be here. Also other features of interest. Everyone is cordially invited to come.

G. E. Wesley, who has been sick, was able to be out Sunday.

Rev. and Mrs. Charlie Odom spent Saturday night with Mrs. Serena Bryan.

Mrs. Belle Washburn spent Saturday night in Amarillo, at the St. Anthony's hospital at the bed-side of Billie Washburn's infant son. On returning home Sunday, she reported the baby was much better.

Othell Wesley spent two days of last week with her parents, Mr. and Mrs. J. W. Wesley.

Mr. and Mrs Chas. Sutton, Jack and Erma Mae were in Happy Saturday.

Mr. and Mrs. W. F. Barnard spent the latter part of last week in the Rusk Barnard home.

Mr. and Mrs. J. W. Wesley had as dinner guests Sunday, Mr. and Mrs. S. F Sharps and family, Mr and Mrs. Austin Glenn and family, Mr. and Mrs. E. M. Wilson and family, Mr. and Mrs. E. E. Wesley, Mrs. C. M. Rogers, and Frank Rogers.

Most of the people of this community attended the singing at Wayside Sunday afternoon.

The Centerview Home Demonstration club meets at the home of Mrs. E. M. Wilson, Friday, Jan-17. Visitors are always welcome.

It is our belief that the average family tree could be improved a good deal by pruning.

Freshmen Win Two From Portales Jr. College

Staging another last-half rally, the Yearlings opened their series against the crack shooters of Portales Junior College by winning a thrill-studded game to the jingling tune of 45-36, and climaxed the meet by taking the finale 39-37 in a rough and tumble affair.

In sweeping the double-header, the Yearlings presented a colorful offensive attack coupled with their towering height to keep the New Mexicans on the defensive most of the time.

Going into the opener as underdogs, the Yearlings displayed a grim determination that secured for them a 12-3 lead. But then their offense wavered and awakened to be following 25-19 at midtime.

After the intermission the Yearling scoring punch was thrown into full blast. "Big Boy" Shackleford brought back sweet memories of Joe Fortenberry as he crammed the basket for 19 points to pace the scorers. A tricky forward from Allison, "Red" Hayes, made 5 field goals and 1 gratis shot to take second scoring honors. The defensive work of L. O. Speer, Yearling guard, was an important factor in the Frosh victory.

Featuring the clever ball-handling of "Red" Hayes and Lloyd Johnson, the Frosh eked out a close triumph of 39-37 in the second game. With five minutes to play, the Freshmen commanded a 37-25 lead, but they were given a scare when Coffman, Portales center, and Reed, Grehound guard, began to pound the basket with much rapidity. The final whistle checked the rally one goal short. Coffman and Reed paced the scoring with 12 points each. Lloyd Johnson with 10 points led the winners. Hanson, a substitute guard for Speer, gave a good account of himself in the closing minutes of play, as he broke through to score the goal that proved to be the margin of victory.

Enticing Stakes Await Dark Horse at End of Santa Anita Rainbow; the Gibbons Clan Comes Back in Fistiana

BY PHILIP MARTIN

ALMANAC NOTES: On Saturday, Feb. 22, a rainbow will be plainly visible to turf followers the country over, one end of which will rest on the Santa Anita oval, near Los Angeles.

Legend has it that a pot of gold is invariably located at the end of these spectrum-hued bands. In this case it is true, for the booty totals $112,000, the major portion of which will go to the equine speedster coming home in front to annex the second edition of the annual Santa Anita Handicap.

A large and classy field will go to the post. Listed are the four money winners of last year's event: Azucar, Ladysman, Time Supply, and Top Row, who thundered under the wire in the order given.

The last named, Top Row, is a formidable dark horse. During the last 12 months he has come on apace, his earnings totaling in excess of $100,000.

On Christmas Day the bay, transporting a top weight of 124 pounds, galloped a mile in 1:35 4/5 over Santa Anita sod, hanging up a new track mark.

He has also run to a standstill the great Discovery, which will also participate in the Washington birthday classic, twice showing Discovery the way home, and taking his dust the same number of times. It is entirely likely that the contest will resolve itself into a duel between these two contenders.

OF course you fight bugs recall the Gibbons brothers, Phantom Mike and Tommy? These two made ring history about a decade ago, and it was rugged Tommy who fought a game but losing battle to Jack Dempsey for the heavyweight title.

Mike, too, never succeeded in crashing the championship ranks. However, they always pleased the spectators, and who can claim more?

Well, another member of this clan has donned the gloves—Jack, son of Mike—and he's enrolled in the light-heavyweight ranks. To date he has shown much promise under the able tutelage of his honored sire.

Boxing will be far better off for another Gibbons, most fans concede.

Jackie Gibbons, above, lends an ear to the "old man," Mike, his father. Jack is a comer as a light-heavyweight under his father's tutelage. Top Row, thundering 3-year-old, below, crosses the finish line at San Francisco for a new record in the mile. Top Row races three other great horses at Santa Anita, Feb. 22.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxines. Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

Beware The Cough

From a common cold

That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble.

Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

Freshman Cagers Will Play Badgers Thursday Evening

An enthusiastic freshman cage team will travel to Amarillo Thursday night, to contest the Badgers of Amarillo Junior College intending to bring home their fourth straight victory.

Although no information regarding the comparative strength of the two teams is available, since this is the Badgers' opening tilt, Coach Bob Cox is anticipating an arduous scuffle when his team contends with the more experienced opponents. Despite the fact that the Badgers represent one of the ranking junior colleges in the state, the freshmen are given an equal chance to pluck their fourth straight victory out of the knapsack.

It will be remembered that the Badgers last year, spilled the freshman team in two consecutive games, both by a four point margin ,and the Cox men are over anxious to avenge the defeat for their hapless upperclassmen. It is expected that many loyal Frosh supporters will be on hand to witness this grudge classic.

"The Elijah" Will Be Presented In Commencement

"The Elijah," by Mendelssohn, will be presented at the commencement concert in the spring, according to Wallace R. Clark, director of musical organizations on the campus.

The mixed chorus and the orchestra have already begun rehearsals on the difficult oratorio, although soloists have not yet been announced.

Curriculum Will Include Pre-Law and Pre-Med Work

Changes in the curriculum of W. T. as provided for by the Board of Regents of the State Teachers Colleges of Texas, will include the giving of pre-law and pre-medical work, and the granting of degrees of Bachelor of Business Administration.

The pre-professional work will cover two years, and no Education courses will be required. Also students taking a B. B. A. degree will not be required to take Education, provided they are not preparing to teach.

Dr. J. A. Hill said that the present program does not include the addition of new departments in the course of study, but rather a rearrangement of courses already existing.

The changes in curriculum will be given in the forthcoming college catalogue.

J. J. BAUER EXPRESSES APPRECIATION OF FRIENDS

J. J. Bauer stated Monday that he appreciated very highly the announcement which was made last week by his friends. Mr. Bauer had decided that he would not be a candidate, but when his friends made the announcement without his solicitation, he believed it his duty to continue as commissioner if the voters re-elect him.

"You may state that I am most grateful to my friends for their support; that my candidacy is in the hands of my friends; that I shall make the race, and if elected will do my very best to make a good commissioner as I have always tried to do in the past," stated Mr. Bauer.

National Farm Loan Association Holds Its Annual Meeting

At the annual meeting of the Canyon National Farm Loan Association, Tuesday, J. B. Fox, J. P. Hix, A. E. Brown, J. W. McCrerey, and M. H. Rockwell were elected directors of the association for the ensuing year. G. G. Foster was re-elected secretary-treasurer.

A feature of the meeting was a radio address by A. C. Williams, President of the Federal Land Bank of Houston, who spoke to the members of the 365 national farm loan associations in Texas who were attending similar meetings in cities and towns all over Texas at the same hour.

Mr. Williams explained the types of credit available through the units of the Farm Credit Administration, the basis upon which appraisals are made in connection with applications for land bank loans, and the advantages of these credit institutions. He also commented upon the important part which the co-operative farmer-owned national farm loan associations pay in the successful operation of the Federal Farm Loan System, and emphasized the fact that the Farm Credit Administration units offered the many types of credit needed by agriculture.

The Canyon National Farm Loan Association has helped more than 552 farmers and stockmen of Randall and Armstrong counties refinance their indebtedness on a sound basis. Since the creation of the Farm Credit Administration in May, 1933, this association has made land bank and commissioner loans in its territory amounting to $1,330,141.85; total loans outstanding at this time amount to $2,190,-141.85.

LIBRARY REPRESENTATIVES NAMED FOR YEAR 1936

The Commissioners Court named Mrs. Dan K. Usery as representative of the county on the county library board, Tuesday. Clyde Warwick was named by the City Commission last week to represent the city.

Two members of this board are to be named by the Woman's Book Club next Wednesday, after which organization for the year will be completed. Mrs. Usery has been chairman of the library board during the past year.

3 Local Barbers Receive Diplomas In Barber Science

Upon the completion of a 25-weeks course in barber science, first of its kind ever conducted in this territory, graduation exercises were held at a banquet for class members and their wives last Thursday night in the Capitol Hotel, Amarillo, at which time 17 diplomas were awarded.

Those attending the banquet from Canyon were Mr. and Mrs. J. Madison Daugherty, Mr. and Mrs. George I. Taylor, and Mr. and Mrs. Ed C Weeks.

Highland News

Another good snow fell Tuesday for which we feel truly grateful.

George Mason, Luther, and Carl Fuqua went to Canyon last Thursday afternoon.

Mr. and Mrs. Atkins of Sudan visited several days last week with their daughter, Mrs. Tom Boling. Mr. Atkins' sister, Mrs. Meyer of Amarillo, passed away and they came up for the funeral.

Harvey and Howard Fuqua spent Saturday night with the Sharp boys.

John Bates and Frank Bedenk spent Sunday with George Wahls.

O. J. Brown had supper at the Fuqua home Wednesday night.

Mr. and Mrs. Carl Fuqua went to Amarillo Friday to call on several who are ill in town. John Cage fell on the walk Tuesday night and hurt his head; Earl Hodges of Wildorado and his father, are both in the hospital with pneumonia; Jim Alexander is still at St. Anthony's and is very low.

Because of the snow storm, or something, no club members arrived at the home of Mrs. Carl Fuqua where an all day meeting was to have been last Tuesday. However, one guest arrived, Mrs. Elam, so the day was spent quilting.

Ralph News

Victor Hill spent Saturday night with J. T. Sykes.

Mr. and Mrs. T. V. Slack went to Olton Sunday morning to visit their son, Joe and wife, and their new grand-daughter.

Miss Rosa Lee Parker spent the week-end with Myrtle Cates.

Mr. and Mrs. Joe Cox and daughter, Helen, of the Jowell community, were dinner guests Sunday in the L. L. Byars home.

Mrs. W. A. Cates and Myrtle visited Friday afternoon in the R. A. Adcock home.

Mr. and Mrs. W. A. Cates went to Hereford Thursday to attend the funeral of Mr. Cates' cousin, Sheriff John B. Miller.

Mr. and Mrs. R. A. Adcock and family were dinner guests Sunday in the parental W. R. Adcock home.

We were glad to have Bro. C. E. Pickett of Amarillo visit our Sunday School, also Mr. and Mrs. Joe Cox and Helen.

Palo Duro Peeps

Mr. and Mrs. M. A. Armstrong of White Deer, and Miss Herta Meyer of Bovina spent the week-end with their mother, Mrs. Herman Meyer.

Mr. and Mrs. George Nance returned home Thursday from Kerrville, where Mr. Nance has been in a hospital. He is reported to be much improved.

Mr. and Mrs. J. J. Small spent Friday evening in the Henry Miller home.

Mr. and Mrs. Raymond Tucek spent Friday in the C. W. Bauer home near Happy.

Mr. and Mrs. Art Albers are the proud parents of a baby girl, born Jan. 9. She has been named Kathryn Artell.

A number of people of this community are confined to their homes due to mumps.

Mr. and Mrs. Harry Finch announced the arrival of a baby girl on Jan. 4th.

Mr. and Mrs. Raymond Tucek spent Saturday night visiting with Mr. and Mrs. G. H. Leseberg.

Roland and Wilbert Wendelken spent Tuesday afternoon in the Dugan home.

Mr. and Mrs. Carl Schroeder and sons were dinner guests in the Henry Miller home.

Mr. and Mrs. A. C. Bangs and family and Mrs. Cora Bangs visited in the Henry Miller home Sunday evening.

Mrs. Pauline Wendelken visited in the Herman Meyer home Thursday afternoon.

Mrs. F. F. Ferrell of Panhandle visited friends in Canyon Tuesday.

CARD OF THANKS

Words cannot express our thanks for the kind deeds and words of sympathy which have been extended to us in our great sorrow. May God's richest blessing rest on each and every one.

Especially do we appreciate the offering from the Pioneer Club, and the kindness of the ladies from the WPA sewing room.

We can only commit our loved one to our heavenly Father's care and strive to make an unbroken circle in the sweet bye and bye.

Mrs. W. B. Campbell
Children, grand children and relatives.

Mrs. M. R. Hendrix of Ancho, N. M., is spending this week here with friends. She states that her son, Fred, is greatly improved in health since he was forced to quit school and they moved to their ranch in New Mexico.

R. E. Baird was ill several days this week with pneumonia. His condition has greatly improved and he was able to sit up yesterday.

Sam Bellah and daughter, Miss Florence, returned yesterday from a visit in Fort Worth.

Texas Rangerettes Go Rickshaw

Mabel Rooks and LaVee Kilman, two-gun real Texas Rangerettes, wanted to see the mayor of Philadelphia, J. Them Eagles shore fought a hard game Friday night. They had Friona tied twice, even if our boys did git beat jus this once. They shore went over Dumas 52-15.

Now them gals is showin up a lot too, winnin two strate games this week end over Friona an Dumas, but I can't see how Sis makes such a good player a settin down. Boy, Sis ye woud make a real player a standin up.

Boy now we got a brand new 1936 cupid at work. Kids, what did Ruby an Gearl Dean mean when they told Fred thet if he didn't think they wus nice gals to ask ther husband. Whatta ye think about Jean Slack a wearin Jack's senior ring, an Jack a wearin her little favorite celluloid ring. Jack, ye must no a good way to take the slack out uf a ring; so tell Joe Frank so he won't have to send his back to the factory. An jus think th little cupid has got Billie Davis an Charlot Beth Henderson a writin notes to each other.

Carolyn, Polly an Mary shore must have "it," cause they can catch fellers in a 1901 model T Ford.

Mr. Carruth shore done a good turn tother morning. He brought a little rubber band to scule an put on Carolyn's hair to hold it down. Mr. Carruth, I wish ye woud bring a bunch more to scule.

What's this I hear about Natalie and Lula a washin a car on Sunday evenin an Billy Black wus good sport enuff to help um. Don't yall no ye ain't spose to work on Sundy.

IS IT FOR YOU WE APOLOGIZE?

The rude and unmannerly conduct of a group of students at the basketball game last Friday night was a disgrace to the students and the name of Canyon High School.

Students of the public schools should have more respect for their school than to "boo" at the opposing team. They should have more pride. The first time might have been looked upon as thoughtlessness or ignorance, but to have to be called down the second time was unsportsmanly, rude, and barbaric.

We are indeed sorry that the opposing team experienced this same poor sportsmanship on the part of some of our unenlightened students last year. Friona, we apologize for them.

We are too proud of the name—Canyon High School—to let a group of boys and girls make us ridiculous in the eyes of the public. We hope that in the future better sportsmanship will be displayed.

CAN YOU TAKE WHAT YOU ASK FOR?

Not long ago a student was heard to say, "Why don't they let students participate in the assembly programs? I'm tired of hearing speakers."

Last Wednesday in assembly the students did take part in the program. The result, you already know.

The audience was not only illmannered; it was extremely rude.

The boys who sang had practiced at great length and were capable of giving a fine type of entertainment had they not been given the "horse laugh" by the student assembly.

Students, there's no better way of killing the programs we are asking for.

Mr. Fox: What is the outstanding contribution that chemistry has given to the world?

Tom Harris: Blondes.

Meet Mr. Tortuga! The Newly Dubbed Turtle

Tortuga has been named!

The famous one and only turtle, sent to Mr. Aubrey Fox of the science department, after the hubbub of crowding students about the small aquarium finally has been christened Tortuga.

Not one lucky person, but two had the honor of having their choice awarded first place.

What a thrill Jean Slack and Margaret Stewart must have had when they received a beautiful medal guaranteed not to turn gold! and last but not least, a slim nickel apiece!

Some called him "Tessie" and some called him "Thunder"—and others went so far as to name "Foxy Woxy." But Spanish took the cake and out of 102 names submitted, the San Diego turtle was dubbed Tortuga, Spanish for turtle, by judges Aubrey Fox, W. H. Stroud and Hal Gamble, after weighty consideration of all entries.

Sports Shorts

Well, for Tom's sake, Eagles why did you have to go and let those Chieftains whip you the other night? Well, you kinda redeemed yourself when you poured it on the Dumas Demons though.

When the Canyon basketeers were on their return from Dumas last Saturday night they stopped to do a little shopping at the drug store. Tom Harris was told if he got a pink Frostick he would get a free one. Dumb enough, he believed it and when he bit into his and found it was pink, he rushed back to the drug store and hollered "free one." The man behind the counter immediately dished it over. Well, the joke was on the drug store man or the rest of the "kids" in the bus, but certainly not on Tom.

Mr. Milton Sanders, manual training teacher, gave as his excuse for the Eagles not winning over Friona, "The Canyon boys didn't have a chance; Friona took the ball and hid it."

Then there was the little boy who got shoved out in the aisle of the bus while coming home from Dumas, with the basketball teams. But it takes more than a shove to get a good man down, doesn't it, Coach Jones?

Why Not Be The Tortoise

A new semester is beginning. Some students easily passed last semester; a few barely got over the line, and some failed.

There are two kinds of students. Some are like the rabbit and others are like the tortoise, all in the race. Some who have been studying all along, had their work all up and were prepared at test time. The students that are like rabbits are the ones who have played along ever since school started and haven't kept up in their work. The night before examinations they sat up late at night and tried to learn all the work they had had since the first of school. The next day they were so tired from sitting up so late that they could not remember anything they had tried to learn the night before.

If you were like the rabbit last semester, how about being like the tortoise this semester?

NOW WHO'S MISTAKEN?

"We made a mistake in last week's issue," says the editor of a weekly newspaper.

"A good subscriber told us about it. The same day there was a letter in our postoffice box that didn't belong to us. We called for 98, and we got 198 on the telephone. We asked for a spool of No. 50 thread and when we got home it was No. 60. The train was reported 30 minutes late. We arrived at the station 20 minutes after train time and the train had gone. We got our milk bill and there was a mistake of 10 cents in our favor. We felt sick and the doctor said we were eating too much meat. We haden't tasted meat in two months. The garage man said the jitney was missing because it needed a new timer. We cleaned a spark plug and it's run ever since. Yes, we made a mistake in last week's issue of the paper."—Exchange.

Mr. Pope: "What are the principle products of the West Indies?"

Bobby: "I don't know."

Mr. Pope: "Come! Come! Where do we get our sugar?"

Bobby: "We generally borrow it from the next door neighbor."

Miss Foster: "What hand is the statue of Liberty holding over her head?"

Fairy Hill: "The one with the torch."

Eaglettes Add Two Wins; Friona Gives Eagles First Loss

The Eagles suffered the first defeat of the current cage season Friday, when the crafty Friona Chieftains invaded the Eagle gymnasium to defeat the local basketeers 28 to 12.

Gower, center for the visitors, was high point scorer, finding the basket for 12 points. Rusk and Captain Taylor shared scoring honors for the Eagles with four points each.

But the Eagles will be given an opportunity for revenge, when they go to Friona, Jan. 31, for a second game.

Eagles Defeat Dumas

Saturday the Eagles went to Dumas and won an overwhelming game over the Demons. The final score was 51 to 15.

This was the first time these two schools have ever met in a cage contest. The Dumas lads will come to Canyon Feb. 1 for a return game.

With the score 21 to 19, the Eaglettes proclaimed a victory over the Dumas girls Saturday night. This makes three games out of four they have won this year.

McNeil was high point forward, having ten points, with Davis holding a close second with nine points.

The Eaglettes maintained the lead all the game except in the first of the first quarter, when Dumas was a small margin in the lead.

The line up for the game was: Davis, McNeil, Slack, Brock, Collins, and Overton, with Greenfield, Mayfield and Bellah as substitutes.

Eaglettes Down Friona

The Canyon Eaglettes beat Friona for their second victory last Friday night in the grade school gymnasium.

The Eaglettes won with a score of 27 to 10, while Friona beat Canyon 26 to 21 at the tournament at Friona.

Edrie McNeil, freshman, was high point man with 14 points. Johnson was high point man for Friona with four points.

Those that played during the game were Captain Wanda Brock, Mary Ella Davis, Edrie McNeil, Jean Slack, Mary Collins, Anna Kathryn Overton, Billy Greenfield, and Carolyn Mayfield.

Books In Review

"The Girl in White Armor" is by Albert Biglow Paine. It is a story of the immortal maid of France, Joan of Arc. The story is kept well within the authentic record.

The tone of this book is reverent and understanding. Sentimentality is kept at a minimum. There is no attempt to romanticize a story that needs no ornamentation to appear as one of the most moving of our legends.

"Corporal Cameron"

"Corporal Cameron," by Ralph Connor is a story of that splendid type of the upright out-of-door man. Although most of Connor's books and stories are of this type man, his present hero is a brave laddie from the Highlands. This hero was on the International football team at Edinburgh. In the hour of need and in the face of all Scotland, he failed because he was not fit. From the start he has to fight with the devils within himself. After going to Canada there are plenty more battles to fight both within and without.

"Life In Elizabethan Days"

This new book by William Stearns Davis takes you into Merrie England in the year 1590. In this you will see the people, both sober and gay, and the food and merry feastings.

Plagues in that day were not uncommon. You are also introduced to Dame Motherwell, the mid-wife. You will see how people traveled, how business was conducted, the stage and the players, meet some delightful rogues, and vagabonds, and enjoy the folk dances in the days of Elizabeth.

Gwendolyn Black, music teacher, was absent from school last week because of the illness of her mother, Mrs. Ethel Black.

Lewis Clounch and Lorena Rose of Los Angeles, Calif., have entered the Grade School. They attended school here last year.

Eagle '36 Captain

—Britain's Studio.

Jack Middleton, Jr., will lead the '36 football squad, according to an election last Thursday at a meeting of the 1935 football team.

Jack started to school in Canyon when he was in the second grade. He was graduated from the seventh grade here in 1932. The Freshman Class of 1934 elected him class king. Jack has been coming out for football for three years. He lettered last year.

There were four boys nominated for captain. They were: C. L. Drummond, Darwin Dobbs, Jack Middleton, and Melvin Calliham. Jack said, "I hope the team will be a great success in 1936."

The measurements of this year's lettermen were taken for sweaters. There were 15 boys to letter this year. They were: R. E. Prichard (manager), Ralph Rusk, Wesley Cox, Captain, Lavert Avent, Billy Bewley, Herschel Burrus, Thomas Harris, Jack Middleton, Darwin Dobbs, Jack Taylor, Wandell Johnson, Leslie Lisle, C. L. Drummond, Melvin Calliham, Sewel Cox, and O. D. Brietling.

Students Count Their Daily Steps

299, 300, 301, That's all! 35, 36, 37, 43, 44, 45, Whoa! 905, 906, 907, Whee! Visitors at school Monday began to look around to see if they were located in an asylum instead of a public school.

Deciding they were in school, they began to investigate and found it was only members of the staff acting on a tip given by Sherlock Holmes when he asked Dr. Watson if he knew how many steps led to their room.

Careful calculation unearthed the startling data that there are 301 steps at school in active use, and an average boy uses 37 steps to walk the entire length of the hall, while a girl uses 45.

One senior boy counted his steps from the time he arrived until he left and found he moved his feet 907 times per day, or 4½ miles per month. He only climbed the steps two times and came down the same number. How many do the poor freshmen use who travel the stairs four times up and down?

People are badly mistaken who call students of Canyon High School lazy.

Miss Clark: "What is half of eight?"

Joe Frank: "Which way teacher?"

Miss Clark: "What do you mean?"

Joe: "On top or side ways?"

Miss Clark: "What difference does it make?"

Joe: "Well the top half is zero and the side half is three."

Mr. Jones: "Tell me what you know about the Caucasian race, Mabrey."

Mabrey: "I wasn't there; I went to the ball game."

Can you imagine a day going by without Miss Foster's telling Marie O'Donald to spit out her gum?

Elliott James, Scientist, Demonstrates Liquid Air

"In Wonders of Liquid Air," Elliott James, scientist, demonstrator, and speaker will be presented by Austin A. Davis, in the C. H. S. auditorium, Wednesday at 7:30 o'clock.

Mr. James will demonstrate with startling experiments and simple explanations how liquid air burns steel, boils on ice, and many other thrilling phenomena.

In the early fall of 1933, Austin A. Davis, tour manager of world celebrities for more than a quarter of a century, negotiated for and secured the time of Mr. James.

Mr. James has visited several schools close to Canyon as many as six times, those he has visited are Beaumont, Brownsville, Austin, and Port Arthur, Texas.

The high school science classes are sponsoring this program. This demonstrator is specialized to stimulate interest in General Science.

An admission of 10 cents for all students and 15 cents to outsiders will be charged.

Mrs. F. W. Dunaway Speaks to P. T. A. Study Club Friday

"The 12 approaches to curriculum construction are based on two philosophies, the Dewey-Kilpatrick and adult needs," said Mrs. Floyd Dunaway in her talk on "The 12 approaches to curriculum construction" to the P. T. A. study club last Friday afternoon.

"The former," she continued, "in part fully applied assumes, if the child does as he pleases, other things will take care of themselves. The latter assumes that adults know better what children need and therefore all material and activity should be determined by adults whether the child wishes it or not."

Work Comes From Child

"Work must come from the desire of the child himself and must be of value from the viewpoint of the present needs as they reflect future needs." She said that creative work was that of self expression. Some fields adaptable to creativeness were rythms, drawing, painting, music, and dramatics.

"The Frontier Thinkers approach," said Mrs. Dunaway," is based on the idea that one should seek advice of specialists in curriculum construction, and that such specialists are those advancing in the foremost ranks of various fields of knowledge, those thinking ahead of the masses."

Various Opportunities Made

Other approaches were: Social Value, Educational Shortage, Emotionalized Attitudes, Activity Analysis, Objectives, Scientific, Best Present, Practice, and Adult Needs.

"The Eclectic approach that is to be used in Texas subscribes fully to no one approach, but seeks to choose the best from all," concluded Mrs. Dunaway.

After the talk, questions were asked and discussed on the subject.

W. B. CAMPBELL, FATHER OF GLENN CAMPBELL, DIES

Weston Birch Campbell, father of Glenn Campbell, and grandfather of Henry Campbell, sophomores in Canyon High School, died Jan. 6, following a short illness.

The funeral was held at the Methodist church in this city, with Rev. F. M. Neal of Amarillo, officiating.

Mr. Campbell had been a resident of Randall county for many years, and during his lifetime had been a noted cattleman throughout the Panhandle.

He was buried in Dreamland Cemetery, south of Canyon, Thursday afternoon.

Coach Jones has a time in his fourth and fifth period History classes, especially with Mary Collins and a few others. For instance, last Friday Mary and Coach were fussing when Mary said, "Oh, you make me tired." Quick-witted, (if you want to call it that), Coach replied, "Well, Mary, you don't exactly rest me."

Don't ever ask Coach to ride a horse. He was heard telling the fourth period History class the following: "I've always wanted to go away and wear cowboy boots and a ten-gallon hat, but I'm afraid that some one might ask me to ride a horse."

When Miss Clark told J. C. and Carolyn that she was glad she wasn't responsible for the persons in high school who didn't have good sense, we wonder what she meant, and also how Carolyn and J. C. felt?

Miss Mattie Jordan spent the week-end at her home in Tulia.

Travis Shaw and G. W. Cox Show Talking Pictures

Mr. Travis Shaw, business manager at the West Texas State Teachers College, and Mr. G. W. Cox, a member of the school board, entertained with a talking picture show, last Tuesday night in the high school auditorium.

Some scenes of Stephen F. Austin's songs were shown first. Scenes of local color claimed the next picture. Scenes of the football games of W. T.'s football team were shown as well as some pictures made during homecoming events.

The United States department of Park Service gave a show to the science classes taught by Mr. Aubrey Fox and to the Civics Class taught by Supt. I. B. Carruth, Jan. 7. The shows were in relation to the different subjects of the classes.

The show was given by Tommy Elliston, ex-student. "Roots of Plants," and "Ground Water" were shown to the science classes, and pictures of "Mesa Verde," home of cliff dwellers and "Choosing a Vocation," were shown to the civics class. The picture was given in the science room and was accompanied by a loud speaker.

GREAT UNDERTAKINGS.
—Samuel Johnson.

A fond father was visiting school recently to see how his son was doing. In response to his inquiry, Mr. Carruth said: "Your son will probably go down in history—"

"That's fine news," said the fond father.

Mr. Carruth raised his brows and continued: "But he might do better in English and the other subjects."

John B. Pope III, Wesley Cox, Melvin Calliham, R. E. Prichard, and Leslie Lisle visited in Hart Sunday.

Miss Jewell Foster spent Saturday in Plainview at a Spanish Teachers meeting. She spent Sunday in Dumas at her home.

Mildred Shuman, junior, spent the week end at her home in Amarillo.

Shirley Ann Herman of Spokane, Wash., visited the second grade for two days.

Anna Mayo Sharp of Tulia visited friends and relatives in Canyon over the week-end.

Jimmie Sol Slack, freshman, visited her brother, sister-in-law and niece in Olton over the week-end.

Dick Redfearn of Plainview, a former student of Canyon Grade School, visited in Canyon Sunday.

Wannie Thomas, junior, spent the week-end with her sister in Hereford.

Bus Heaters Installed

Billie Bewley, president of the sophomore class, returned to school last Monday after being out of school for a week with an infected foot. His foot became infected during the Christmas holidays, when he was bitten by a dog.

George A. Patterson, a former U. S. Marine, talked in assembly, Jan. 18. Mr. Patterson talked on "Six Years of Marine Life." He was stationed at Shanghai, China, for two and one-half years. He has visited many foreign ports while in Marine service.

Heaters have been installed in the school buses. Now the country children who ride in on the buses will not be so cold when they arrive at school. When the weather is extremely cold, the buses will go down Third, Fourth, Fifth, and Sixth avenues to pick up the students walking to school.

Katie B. Lowe, ex-student of 1932, underwent an operation for appendicitis last Friday morning. She is in St. Anthony's hospital.

Mildred Clounch, senior, returned to school last Thursday. Mildred left school here Sept. 13, 1935. She has been in Los Angeles, Calif., where she has been attending the Public Schools of Los Angeles. The subjects Mildred will take after mid-term are journalism, commercial law, typing, and English IV.

Sewel Cox, senior, returned home last Thursday from St. Anthony's hospital where he underwent an operation for appendicitis. He is recovering rapidly and plans to be back in school the last of this week.

EAGLES GO TO LEVELAND; GIRLS PLAY UNION HILL

BOYS ENTER TOURNAMENT; GIRLS PLAY AT HOME

The Eagles will journey to Levelland tomorrow morning where they will participate in the Leveland tournament Friday and Saturday.

The Leveland tournament will probably be the largest basketball tournament held in the Panhandle with the exception of the Interscholastic League tournament to be held in February in Amarillo.

The Eagles have won games from Channing, Happy (two games), Dimmit, Tulia and Dumas, losing only to the Friona Chiefs. "Friona probably has the best basketball team in the Panhandle," said Supt. I. B. Carruth.

Eagles Won One Tourney

The Eagles won the Dimmitt tournament earlier in the season. Three Eagles made the All-Tournament Team there. They were: Darwin Dobbs, Ray Ford Rusk, and Thomas Harris. Boys that will make the trip are: Darwin Dobbs, Ray Ford Rusk, Thomas Harris, Wesley Cox, C. L. Drummond, Jack Taylor, Leslie Lisle, D. A. Butler, Melvin Calliham, and John B. Pope III.

The Union Hill sextet will meet the Canyon Eaglettes in two games this coming week-end.

Game Starts at 7:30

Tomorrow night they will clash for the first time in the grade school gymnasium at 7:30. The second bout will be held Saturday night at Happy.

The starting line-up will be chosen from the following: Davis, Slack, McNeil, Bellah, Mayfield, at forwards; Overton, Brock, Collins, Greenfield, Donnell, at guards.

School Will Add Three Subjects

Commercial Law, and if there is demand, Business Arithmetic, and Mechanical Drawing will be the three new subjects added the second semester.

Supt. I. B. Carruth will teach Commercial Law from 10 to 11 o'clock.

Miss Grace Clark will conduct Business Arithmetic at the same period.

Mechanical Drawing will be supervised by Mr. Milton Sanders during the first period, 9 until 10 o'clock.

Typing will be offered twice a day instead of once as it has been. Miss Ethel Rowland, a senior in W. T. will be in charge of the classes of typing.

Jimmie Gamewell, '32, visited school last Friday.

Wayside Items

Quite a lot of snow and ice the past week. Heard of no one getting hurt by falling. Weather has moderated considerably.

Mrs. Billie Washburn and sick babe are still at St. Anthony's hospital. He has had dreadful spells of coughing recently. Last report thought to be better.

Bessie Lane, in school at Canyon, is with her mother at W. L. McGehee's with a ruptured appendix. Last news, resting fairly well.

Mrs. R. L. Grigsby, after a severe case of coughing, has been carried to the Dallas Clinic. She, with her family, spent the holidays with her mother in Dallas. She is sadly missed at Sunday School.

Mrs. Eugene Carter has been quite sick for some days. Glad to report she is able to be up at present. Miss Frances Knox is with her for a few days.

Rev. J. A. Lindley of Bovina was with us Sunday, giving us two good sermons. He has been preaching here for five and one-half years. Offered his resignation during the morning services to be acted upon at the evening services. His resignation was accepted. He will be missed by all denominations.

The Plateau Singing Convention met at Wayside, Sunday, Jan. 12 in an all day singing. John F. Taylor of Amarillo, who has been president for many years, presided. Singers from Lubbock, Plainview, Tulia, Canyon, Amarillo, Borger, Panhandle, White Deer, Pampa, Claude, Washburn and Fairview were with us, giving us such splendid music and songs. Lunch was spread in the basement of the church, in abundance for all. It was a day of enjoyment for all.

Armstrong county's next day to entertain the convention will be in July—place, Washburn.

Work is progressing nicely on the new oil station, retail and wholesale, here in Wayside, also dwelling being erected by Henry Harrell. Work went on past week despite the inclement weather.

M. L. McGehee recently took cattle to the Kansas City market.

Mrs. Fannie Franklin is confined to her home with a case of mumps.

W. C. McGehee, wife and Jack were dinner guests with Miss Aline McGehee in Happy, Sunday. Will Modisett with his sister, Mrs. M. C. Sluder.

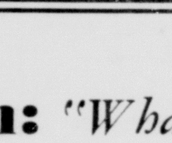
Instant Starting ...AND NO "BUCKING"

with Phillips 66 Poly Gas



If your car is a cold-weather bronco, head for the Orange and Black Shield and get a tankful of the new Phillips 66 Poly Gas.

It costs nothing extra, but what a difference! You touch the starter any time, and your icy motor "snaps out of it" instantly. Warm-up is so fast that there is hardly a trace of coughing or sputtering. No bucking or stalling. Just a smooth flow of sweet power that, for a cold motor, is surprising and uncanny.

Uncanny, until you remember that the improvement in performance is the result of POLYmerization, the scientific revolution in the making of motor fuel. To high test Phillips 66, which always was a mighty good winter gas, this miracle of modern chemistry adds a rich supply of extra heat units.

So starting in freezing weather is lightning-fast. Acceleration is far more flashing. Power and mileage are both increased with minimized use of the choke. If there is any motor fuel anywhere to equal Phillips 66 Poly Gas . . . at the price . . . our Testing Laboratory hasn't found it.

Compare gasolines yourself, in your own car. Check the value and savings given by Phillips as world's largest producer of natural high test gasoline. *Feel that difference* in performance. Then you will know why sales of Phillips 66 Poly Gas are right now at the highest levels in the history of the company.

MOTHER! don't experiment with your Child's Cold

Rub on VICKS VAPORUB

Often, "mere colds" have serious consequences. It is dangerous to neglect a cold—equally dangerous to experiment with half-way measures.

Feel safe! Use Vicks VapoRub—the proved *external* method of treating colds. No risks of constant internal "dosing", which so often upsets delicate digestions and lowers resistance when most needed.

DOUBLE DIRECT ACTION

Just rubbed on at bedtime, VapoRub fights a cold *direct—two ways at once*—by stimulation and inhalation. This combined poultice-vapor action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion. Often by morning the worst of the cold is over.

Question: *"What Is An I. E. S. Lamp"*

Answer: It is a lamp that was created by the Illuminating Engineering Society (a non-profit organization) for the sole purpose of giving you the abundant, glareless light that your eyes need when you read the evening newspaper.

It gives you a more useful light than a light bulb by itself.

It gives a comfortable, well-diffused light.

It provides a general illumination throughout the rest of the room.

It gives you light where you need it.

It gives you beauty that will blend admirably into any room.

It will NOT correct faulty eyesight but WILL prevent defective vision.

Minister Speaks of Three Rules at Rotary Luncheon

Rev. Earl L. Craig, minister of the Church of Christ, spoke at the Rotary Club luncheon Tuesday, discussing the Bible and business, and the three rules which have so long been found in all phases of life.

"The sanest and safest business principles are found in the Bible," stated the speaker. "The Bible has a place in every phase of our life," continued the speaker, as he related its influence in building a staple form of government, of business, of schools, hospitals, and agriculture. "In paces where the Bible has not exerted an influence life is in its simplest and crudest form," stated Mr. Craig, as he recalled the farming in those nations and other forms of life.

The rule of might is the iron rule, and had always been adopted by the military leaders. Through it people are overcome or destroyed. The silver rule is the negative one, to do nothing to the other fellow which you would not have him do to you. Followers of this rule would not set your house on fire, but they would not help put out the fire if it started. The Bible gives the Golden Rule which is a positive rule for good. The speaker read Christ's illustration of these three rules from Luke 10:25 of the man who was beaten by thieves and left by the roadside.

Visitors were: W. S. Norman and Phil Purdum of Amarillo; G. W. Cox, W. E. Bennett and Rev. Craig.

Oscar Hunt is out and down town after being laid up for two weeks with injuries received in a bad fall at the first National Bank.

Mr. and Mrs. C. R. Burrow were in Slaton yesterday attending a funeral.

Mr. and Mrs. N. E. McIntire visited relatives at Tulia Sunday.

four years, and tax collections have been very low; but in the face of these facts, I have worked many men, trying to help out while there were so many unemployed. We all realize that the government has done a wonderful lot to help the unemployed, but this has not been enough; most families have had to have other work to have a living. I have tried to be fair with the work, striving to give everyone the same amount of work each month as neary as was possible to do.

Randall County is in a fair financial condition at the present time; it is in a much better condition than many other counties in West Texas. I have bought almost one hundred per cent of the materials that we have used in this Precinct in Canyon.

Having tried to co-operate with every worthwhile organization in Canyon and Randall County, I want to express my appreciation to the different organizations and to the individuals for the co-operation they have given me; it has been a pleasure to work with many of them.

I have done my best to help carry on the affairs of the County in a business-like way, have worked hard, and have done my best to serve the tax payers in the most efficient way that I could. If re-elected I will continue to carry out these policies. Your vote and support will be greatly appreciated.

Panhandle Jackson Day Dinner to Be Held on Saturday

A Panhandle gathering of Democrats will be held in Amarillo Saturday night at 6:30 o'clock at the annual Jackson Day dinner. This gathering was postponed from the 8th on account of the bad weather.

A number from Canyon are planning to attend this dinner.

A A U W Wants Magazines For Public Schools

Canyon members of the American Association of University Women have the valuable project of collecting magazines for the public schools of Randall County. 240 periodicals were collected during October and November. But since a large number of magazines are needed, the chapter asks that no family destroy its periodicals when read. Keep them for further use.

Call either Miss Elizabeth Cox or Mrs. T. B. McCarter, telephone numbers 428-W and 365, respectively. They will be glad to come to your home for them.

the Texas State Parks Board. No actual development of a park system was possible until 1933 when CCC came into being. The fact that Mr. Colp had secured so many locations for parks and was ready to put men to work secured for Texas a large number of camps. The Palo Duro State Park was highly favored by Mr. Colp in all his planning. In spite of the handicap of the land title, and other opposition to work in the Palo Duro, the largest camp in the United States was maintained here, and work was pushed as rapidly as possible. During the past 2½ years Mr. Colp has made many trips to the Palo Duro. He was here last in October.

During all this time he served without a salary, receiving only his expenses while travelling. In October, Governor Allred appointed Wendell Mays of Brownwood to succeed Mr. Colp on the State Parks Board. Mr. Colp became executive secretary and was continuing with the work which he had done throughout the past years.

In order to secure closer co-operation between the Panhandle Parks and the office of the State Parks Board at Austin, Mr. Colp was responsible for the appointment of a local committee last spring. This committee was named with the approval of Governor Allred and composed of Clyde Warwick of Canyon, T. E. Johnson of Amarillo, and Judge Humble of Hereford. The Palo Duro, Palisades and Hereford State Park were given to the supervision of this committee.

Mr. Bryan is stopping in Austin on the way from San Antonio to secure information regarding the future work of the Parks Board now that Mr. Colp has been removed from the active management of the system.
